

Professional Profile

Everett S. Phillips

Career Summary

Everett Phillips has quickly established himself as an essential component of interPres Team and leads the business development activities for the Greater Los Angeles area. The team specializes in Investment/Acquisitions, Industrial Property Transactional Services, Capital and Debt Placement, Property Management, and Corporate Supply Chain Advisory. Everett is primarily focused on building lasting relationships and delivering valuable services to the firm's corporate clients. Mr. Phillips's Client First approach, along with his disciplined work ethic has proven to be a valuable asset to the firm's clientele. Everett is using his passion for delivering creative deal making to assist corporations and investors in maximizing the operational and financial performance of their industrial real estate. Mr. Phillips advisory service is targeted towards medium to large corporations as well as private investors.

Prior to joining interPres, Mr. Phillips was an intern at Fan Duel, Inc. creating marketing plans designed to increase the company's user base.
